# OXIDINE

Runs Chills Away

Helps in Life's Path.

The winding path of life is often beset by chills and fever as much as the high road; the day off among the islands of repose gives you a steadier hand and a braver heart to make your voyage along the stream of duty.—Henry van Dyke.

### Curious Method of Churning.

Lady Bransley, in her "Voyage of the Sunbeam," describes a curious method of making butter. On the South American coast, she says, the milk is put into a gourd bottle, which is tied by a long rope to the saddle of the farmer, who gallops his horse until the jolting on the ground has churned the milk effectively.

## WOMEN GIVE OUT

Housework is hard enough when healthy. Every Macon woman who is having backache, blue and nervous spells, dizzy headaches and kidney or bladder troubles, should be glad to read the Columbus woman's experience:

Mrs. F. Callender, 1226 Fifth Ave., S. Columbus, Miss., says: "I believe overtaxing myself brought on kidney trouble. I was confined to bed for six months at one time and was so helpless that I couldn't raise my head from the pillow. I was so weak that I couldn't do a thing. Kidney disease had so undermined my health that I got so I couldn't move my hands or feet. I had pain and soreness across my kidneys and didn't sleep well at night. The way my kidneys were acting caused me a lot of annoyance. I was a physical wreck. Dizzy spells came over me and I would feel as though I was going to faint. I took doctor's medicine but suffered just as badly as ever. My feet became so swollen that I couldn't put on my shoes and other parts of my body bloated. A friend advised me to try Doan's Kidney Pills and I used them. Two boxes cured the attack."
